PT Multiguna International Persada

# COMPANY PROFILE

## ABOUT US

**PT. Multiguna International Persada** has been established as a premier provider of freight forwarding, customs broker and supply chain logistics in Indonesia since 2000 and we are now growing with 9 branches and representative offices in all around Indonesia's most strategic cities such as : Jakarta, Medan, Semarang, Surabaya, Palembang, Banjarmasin, Pontianak, Makassar and Bitung.

## OUR VISION

To be a reliable provider for your logistics solutions.

1

## MISSION STATEMENT

To build long term relationship with all of our customers and our relation networks and provide exceptional services by delivering our customer's satisfaction through the excellence of our work and see ourselves as an extension of our clients business

## CORE VALUES

We believe in treating our costumers and our relation networks with respect and faith and we integrate honesty, integrity and business ethics into all aspects of our business functioning.

2

# OUR ABILITIES

We provide you with diverse range of services:

## Complete Range of Regional & International Freight forwarding

Providing sea freight, air freight, FCL, LCL, ex-work, restuffed-inter island-transshipment, CIF, CNF, FOB & etc. Customs clearance & documentation handling throughout all the world ports.

## Reefer Logistics

Providing comprehensive reefer logistics solution with specialized and advanced expertise in handling on any kind of temperature controlled cargo, frozen, chilled or fresh. This service covers the whole refrigerated logistics chain include re-stuffing on frozen/chilled goods, providing generator set, reefer technician, government documents, customs formalities etc.

## Project Cargo

We provide special care, expertise and attention since project cargo shipments typically related with tight time bound, high valuable goods and often with high risk handling regards to heavy lift and over size cargo. Our project cargo people always prioritize precision and accuracy in their pre-survey and execution in every project to deliver perfection results and Fulfil the safety-first orientation.

## Customs Handling

We can save you time and trouble in customs issues handling. Powered by our experts in regards to all customs regulations and procedures both for export and import. We are linked to our licensed customs broker at:

- Tanjung Priok I, II, II – Jakarta sea port
- Soekarno Hatta air port – Jakarta area
- Tanjung Mas, Semarang sea port
- Tanjung perak & Tanjung Tembaga, Surabaya sea port
- Makassar sea port
- Bitung sea port

## Inland Transport

We provide land transport by many types of land transporters such as trucks and train. We have our own truck fleet and also have a reliable trucking fleet network to fulfil all of our customers requirements.

## Warehousing

Providing reliable warehousing as a key part of the supply chain and primarily aims to control all the movements and storage of material needed by our customers to process the associated transaction, including for shipping, receiving, put away and picking. We provide warehouse both for temperature controlled materials & dry materials.

# OUR STRENGTH

## Branches network in Indonesia

We develop 9 branches and representative offices all around Indonesia's most strategic cities:

- **Medan** is the busiest sea port in Northern Sumatra, developing area with agro-business industry, land fisheries and sea products industries.
- **Semarang** main gate for many kind of industrial products traffic at middle Java such as furniture, fabrics and garment and also land fisheries and sea products industries.
- **Surabaya** one of the busiest port in Eastern Java, supporting the advanced and massive traffic of many kind industrial products, agro-business, and also in sea product industries.
- **Makassar** major sea port in southern Sulawesi island which developing their fisheries and sea product industries.
- **Bitung** developing area in northern Sulawesi island, focusing in fisheries and sea products industries.
- **Batam** free trade zone with huge cargo traffic.

AGENCIES NETWORK

## Good relation with world shippings

In order to grasp the worldwide range we have good relationship and keep improving it with most major carriers such as **Hapag Lloyd, APL, CMA CGM, OOCL, Evergreen Marine Corp, Wan Hai Lines, Mitsui O.S. K. Lines, NYK, MSC, K-Line, KMT, Maersk Lines, Safmarine** and many more.

Some of them already have service contract with us to provide preferential freight rates and space guarantees.

## Good relation with regional shippings to cover inter island in Indonesia

Our country, Indonesia, is an archipelago comprising thousands of islands. We covering those wide spread of islands with strong relationship with Indonesia's regional shipping such as **Meratus, Tanto Intim Line, SPIL, Temas, Samudera Indonesia, Jayakusuma** and many more to ensure the reliable link in our logistics webs.

## Abroad Agency Networks

Conquering around the world on cargo delivery handling needs an excessive reliable network and we are developing an extensive global network of carefully selected overseas partners to get all the things done smoothly, on time & safely.

We have been doing a good partnership with our agencies network through many countries: Europe, United States of America, Middle east, South east Asia, Far east Asia, Australia, Africa.
