

# HUB CARGO

LOGISTICS IN MOTION

## HUB CARGO

Our company prioritizes raising service standards both for clients and agents. We make sure you feel your office is in Argentina.

## PORTS USED FOR LOGISTICS IN ARGENTINA

In Argentina, many different ports are used for importing and exporting goods. We offer services from the ports of San Antonio, Chile / Montevideo, Uruguay / Buenos Aires y Rosario.

## MARITIME TRANSPORTATION

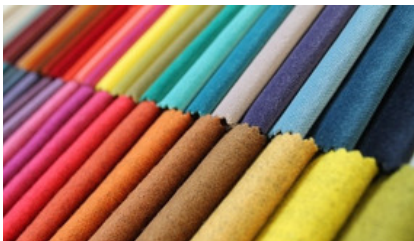

Listening to our client's needs, we've developed a team along their side to achieve excellent operative results making our logistics and administrative processes more effective for both companies. We prioritize ship availability thanks to flexible contracts with shipping companies.

## AIR TRANSPORTATION

Our offices are strategically located around the main international airports in Argentina. As much for import as for exports, we have adopted JUST IN TIME methods to add value for our clients and making our service more effective.

## GROUND TRANSPORTATION

Our 4 years of trajectory assisting in neighboring countries and performing import and export services in the food and manufacturing industries. Our emphasis is in security and monitoring due to access to technology available in each transport unit.

## TEXTILE INDUSTRY

Some of the most commonly transported products comes from textile manufacturers (house products and fashion).

## INDUSTRIA METALÚRGICA

We have been able to adapt to vehicle manufacturers' and parts manufacturers' needs, delivering added value to export services for our clients who provide R&D to the world.

## AGRICULTURAL MANUFACTURERS

Four years devoted to the import and export of commodities and chemicals related to agricultural production and seeds from different origins.

## TECHNOLOGY LOGISTICS

We are aware of constant developments in technology and we are prepared to take on new advancements to your advantage. We know time is more precious than money.

## CHILDREN ITEMS LOGISTICS

We offer JUST IN TIME service for toy importers in our country allowing us to satisfy the needs of our most precious clients, KIDS,
