ABOUT US

Intercontainers Shipping & Trading is an International Freight Forwarder based in Argentina, specialized in Air, Sea & Road Freight.

We have over 30 years of experience providing comprehensive logistics services to major companies in the region and worldwide.

We know that no two shipments are the same, so we are committed to offer tailored service to each client, securing the delivery of their goods on time, on budget and beyond expectations.

Intercontainers have offices in strategic points of Argentina and a solid network of collaborators and agents, which allows us to provide world coverage for all the services we offer. We also continue to expand our global presence and seek to create stronger and long term alliances worldwide, so we can improve and adapt to the growing local and international demands of high quality products and efficient services.

AIR FREIGHT

- We have coverage in all major airports across Argentina, Chile and Uruguay.
- Direct flights.
- Door to door service.
- Hazardous goods handling.

SEA FREIGHT

- Strong relationships with major carriers allow us to offer competitive rates and space allocations on vessels.
- Less and full container load (LCL + FCL) to/from anywhere worldwide.
- Multimodal services via Buenos Aires, Chile and Uruguay.
- Reefer cargo handling, chilled and frozen.
- Bulk cargo handling, flexitanks.
- Dangerous, oversized, sensitive, fragile cargo handling.
- Door to door service.

ROAD FREIGHT

- We provide domestic and cross border transport solutions.
- Immediate availability of units.
- Free on board services to both Atlantic and Pacific ports.
- Less truck load services to Chile and Buenos Aires port warehouses.
- Dry and refrigerated service.
- Safety devices, electronic seals, cargo monitoring point to point.
- Integrated solutions for multimodal operations.
