# ABOUT US

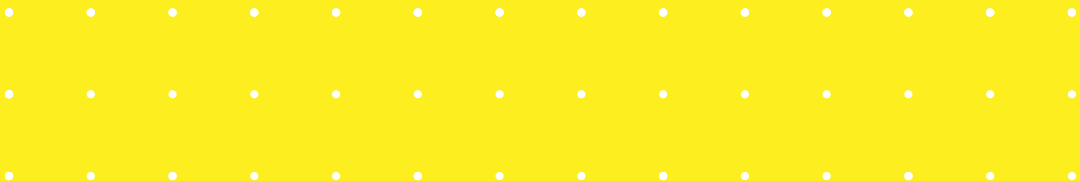

---

Gateway Container Line Group originated in Bangkok Thailand in 1997 with its first office and original name of Gateway Logistics. With great demand in Consolidation in both Seafreight and Airfreight, a group of professional joined to create a network that is highly responsible and skillful. The group was officially formed on 2007.

Gateway Container line Indonesia was born on September 2009 to answer a logistics demand in the business. We are young, but with our youngness we will more aggressive and more dynamic to serve our customers and we could guarantee that you will be handled by our experienced and dedicated staff.

In this crisis era, we are stand here to give a solution to our customers. We are here to serve you with our best level service under the competitive price, as we are realize “costing down” is the key to stay alive in this tight business era.

Under our groups, we will become your Solution Distribution with our Global Standard Service and when you think about competitive price, you must be thinking of us.

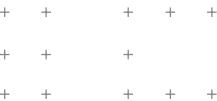

# OUR GROWTH AND INOVATION

- 2009** → was born on jakarta as consolidator, and open direct consol export to Dubai, and import from 1 port of loading in singapore, and keep expanding to some ports.
- 2011** → Starting operating some local branches Bandung and Surabaya
- 2013** → We got Customs Brokerage License; ISO 9001: 2008 for Provision Of Sea Freight, Air Freight and Customs Clearance Services still continuing ISO 9001:2015 additional Management Risk; We have our own Warehouse (GCL Warehouse)
- 2014** → We develop for Project Division; Operating Cikarang branch; Gateway Bandung have their own building, followed by Gateway Surabaya
- 2016** → We develop Domestic Division; We have our own garage for Trucking Division
- PRESENT** → Now we have more than 200 staff & our direct export consolidation to 22 destinations and import direct consolidation from 20 points of loading. We became no.1 export consolidator in jakarta and we keep continuing to develop our services.
