

Argentina, Buenos Aires, Monday, March 14, 2022

Dear Import and Export Manager.

We are offering our transportation service in your country.

Introduction to our company

Interocean Freight & Logistics Services was founded in 1994, by young and dynamic sea and air transport professionals to dedicate exclusively to freight forwarding. I-F-L-S specializes in oversized cargo, special equipment such as Open Tops and Flat Racks, hazardous cargo and heavy lift bulk shipments.

Our excellent reputation and experience in the field of customs clearance has allowed us in 2015 to expand our business to include a wider range of services in this domain:

- * Air freight
- * Ocean freight
- * Inland transportation
- * Packing and removals
- * Freight forwarding
- * Customs clearance and door delivery.
- * Third party shipments
- * Warehousing and storage
- * Vehicle transportation * Vehicle coverage
- * Insurance coverage

We can handle your ocean, air or land shipments in Argentina to the following destinations, Cordoba, Mendoza, Puerto Madryn, Ushuaia, Santa Fe, San Juan, Ibicuy, San Lorenzo and other ports.

We handle shipments from/to Brazil, Peru, Chile, Uruguay, Bolivia and Paraguay as well.

If you send us collect shipments, we will forward the full freight as soon as possible and charge the local handling fee to the consignee.

For nominated shipments from your country to Argentina I-F-L-S does not charge fee, your freight amount is the amount of your freight, we charge the local charge to the consignee or shipper and our agent pays the international courier only.

Please confirm if these terms are ok with you.

Best regards.
