## Our Vision:

It is our goal to be the preferred freight forwarder, shipping and logistics service provider to our customers by providing an excellent service that satisfies all their needs.

We will achieve this through adherence to constantly evolving quality objectives and a team of highly skilled team members.

Our success will be measured in the generation of long term business relationships and returning customers. We are known for our superior inventory management, and

provide the following services for dock stuffing:

we will stuff your package with material that protects it from damage during the transportation.

Warehousing is an Integral part of transportation, as it is crucial for the logistics.

Our team of professionals will monitor and manage incoming cargos in our storage facilities, and are able to make allowances for special goods.

Our logistics team is experienced and capable to supply end-to-end services in this field for very low prices.

- **Sea Freight**
- **Rail Transport**
- **Road Transport**
- **Air/Sea Charters**
- **LCL/LTL Services**
- **Customs Brokerage Services**
- **Dangerous Goods Management**
- **Dry Bulk & Liquid Transportation**

## Sea Freight

### Consolidation:

We provide this service for cargo that isn't large enough to fill a container, and thus can be availed using our Consolidation solutions. We can customize your shipment to reach any port in the world, regardless of the size.

### Transportation (Road):

We also provide basic ground transportation for goods all over EGYPT, covering great distances and overcoming uneven terrain. We put in a lot of effort to ensure that we will never fall behind schedule.

Our services include:

Relocation and movement of bulk goods and containers.

### Warehousing / Dock Stuffing:

We are known for our superior inventory management, and provide the following services for dock stuffing: we will stuff your package with material that protects it from damage during the transportation.

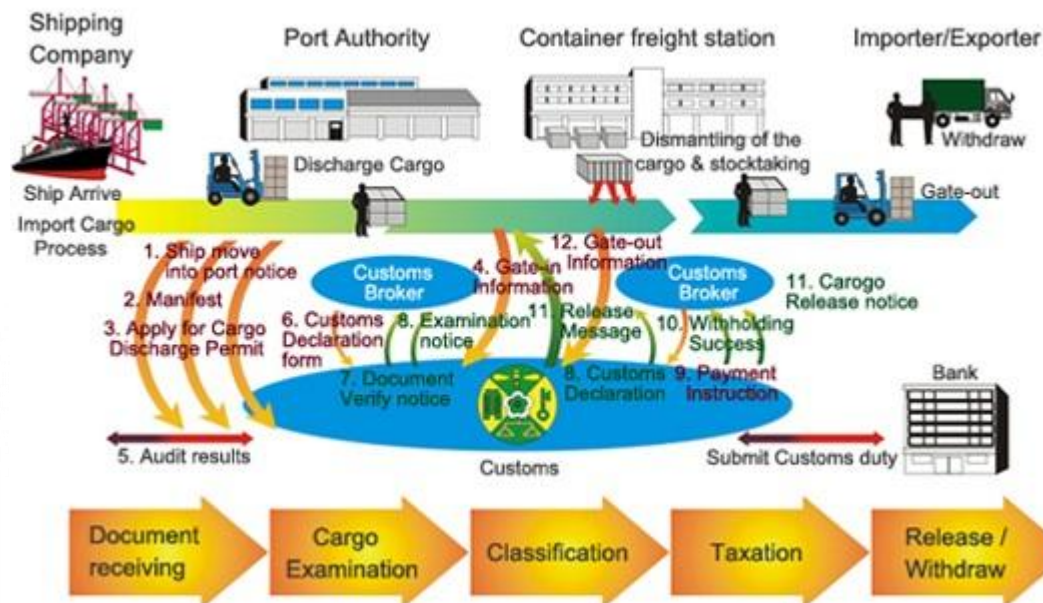

Warehousing is an Integral part of transportation, as it is crucial for the logistics.

Our team of professionals will monitor and manage incoming cargos in our storage facilities, and are able to make allowances for special goods.

Our logistics team is experienced and capable to supply end-to-end services in this field for very low prices.

## Customs Clearance:

International transport cannot be managed without a customs agency. We provide this kind of service as well and guarantee customs negotiation not only in Egypt but also abroad. There are fixed rates for customs clearance abroad. Customs negotiation in Egypt depends on the number of imported goods, type and the amount of the customs debt.

We manage the negotiation in the customs office for you and we stand security for the amount of the customs debt, you avoid the unnecessary bank transfers and time spent dealing with financial transactions. We arrange customs negotiation by export & import of goods for a fixed rate.

**N.B:** we have an internal Bonded warehouse inside Alex. & Dekheila Port which save time & avoid any risks.
